bios interrupt_

```
vboxuser@CSCN-342-Ubuntu-22:~/Desktop/CSCN342 Code/Asgn06$ qemu-system-i386 bootloader  
serial stdio
```

```
WARNING: Image format was not specified for 'bootloader' and probing guessed raw.
```

```
Automatically detecting the format is dangerous for raw images, write operations  
on block 0 will be restricted.
```

```
Specify the 'raw' format explicitly to remove the restrictions.
```
